**Comments:** This is one of the best sites I have found. There is a lot of material here that I have not seen on other OHio county sites. I especially liked the migration routes map & history of the routes. I have several families that I am researching in Ohio, but they are in Mahoning Co, Darke Co. & now Fulton. I have a hard time visualizing Ohio & its neighboring states without a map. The route map really helped to place Ohio in relationship to it's neighbors.  
Thanks for a GREAT site.

**Comments:** Are there any cemetery records published and/or online for Fulton county? I'm searching for burial info on a couple by the name of **James and Mary FORD**, no dates, though I believe Mary FORD's maiden name may have been **FOOR**, and if so, she was born about about 1854 in PA. She and her family resided in Metamora, OH.

This James and Mary **FORD**, according to an obit Jan Reister sent me, had a child Howard **FORD** b in Metamora in 1881. If anyone knows of this family -- dates, place of burial, etc. -- or knows of the parentage of this Mary, please email me. Thanks!

When she got married she lived in Fulton, Gratiot County Michigan. She married Gerritt V. Ellison. She did not list her parents on her marriage license. She would have been born sometime around 1859. The witnesses to her marriage were John G. Butler and Lois B. Butler. I don't know how they are related to her. Any help would be greatly appreciated. Thank you in advance.

**Comments:** Looking for info on Renesslaer Samuel Humphrey. Family members say he is considered the "father of Fayette". He supposedly built the first log cabin where the town sits today and the first store (then called the Gorham Center - the site in 1923 of the Farmers Bank), and built the first saw mill (located on Humphrey land) - torn down in 1856 and together w/Dr. J. O. Allen built a better grist mill (was still standing in 1923). His son Vern worked in a clothing store in Fayette. Would like to have this verified if anyone knows about it. R. S. Humphrey married Cornelia Emenck 1/28/1845 but not sure if married in Fayette. Are there any marriage records for that year still available? Looking for any info on Cornelia also. Their son Charley (1862-1932 would like month and day) Humphrey married P. (Polly) Anna Paul (1860-1943 would like month/day) but do not have marriage date or location. They had 3 children. Their son Rory Day(3/?/1883-9/?/1933)married Ora Baker but do not know when or location of marriage. Charley, Anna and Rory are buried in Hanover. Any help would be greatly appreciated.

I would like to make contact with anyone having or needing information on the Garrison Family. I have been to Fayette on a couple of occasions. The first was to bury my grand father, also William P. Garrison. The second time was to visit the cemetary. I'm looking forward to returning someday to continue my family research.

Supposedly, this town was located right where the townships of Royalton, Amboy, Pike, and Fulton all come together -- at County Road 7 and County Road N (Bancroft). My interest is when this place existed, its size (area it encompassed), and the exact location. I have visited the above described location and find no landmarks, churches, or other buildings to indicate a town existed there.

**Comments:** One of my great grandfathers was the first mayor of Delta, Ohio and helped to bring Fulton County into the State of Ohio. He was Mayor for about nine years and a judge for close to 20 years. ( Right up to his death in 1887 )

His Name was Lucius H. Upham. His home was located on the lot that is now Kern Heating. I would love to know if anyone has any records concerning his service to the county and or to city of Delta. All I know is what I have read in the old arcives of the Atlas.

Thanks if you have any help in this

They are VANARSDALEN, MILNOR, HENRY, SNYDER and lateral lines of WHITMORE, GISH, MCDONALD/PAGE, TINGLEY, HIBBARD, GRAHAM, HARDEN, FELLOWS, and ROE. I have pictures of some of these people--some are identified others not. Wouldn't it be neat to find someone who could help me identify or at least date some of my treasure?

I have a newspaper article saying that David HOWARD played under the Council Oak when he was 11 years old in 1829, and so did Mary BROWN, his future wife. I have searched in vain for the family of Mary BROWN. They were married in Wood Co on 29 SEP 1839. Does anyone out there know anything about Mary BROWN's family? She was born 10 APR 1820 in Ohio.  
Thanks! Mary Ann Hoppe in Rogers, Arkansas
