She was born 1893, and died 1934.

Marriage Notes for GEORGE TURPENING and SYLVA WARREN:

The marriage register says Sylvia Monsen on May 14 1887, Georges obituary says Sylvia Warren in May 1898. The register date is followed by an asterisk that means the not marriage return was ever recieved which sometimes means the couple never married. Not sure what is correct but children were born of this union in the 1890's so I would say the year of marriage is off in obituary.

In the 1880 census I find that Sylva Warren age 6 listed with Delila Warren in the HH of Lyman and Sarah (Willson) WARREN so the maiden name for Sylva (they leave out the "i")

in the census) was Warren so it is either that hard to read that the transcriber of the marriage record read it wrong or Sylvia could have been married once already before to a Monsen.

The 1900 census states she was married for 13 years and has had 4 children and all are living. This

supports the marriage year of 1887 listed in the Fulton Co. OH marriage register.

13. i. LORANA E.<sup>3</sup> TURPENING, b. 1890; d. 1955.

- iv. EMMA M. TURPENING, b. 1897.

16. vi. GEORGE ALFRED II TURPENING, b. September 08, 1924.
